Sessions	AM					
	PM					
<p>Maidenhead Hockey Club will provide qualified coaches with up to date CRB checks and first aid certificates. Every precaution has been taken to ensure safety. Hockey is a sport using hard moving objects. From time to time children will sustain injury. Protection, such as shin guards and mouth guards are recommended and should be provided by the parent/guardian. If a coach feels that a practise or game cannot be completed safely without protective items, your child will be asked to sit out that part, if not equipped. We may use video for coach education purpose and photos may be taken for the local paper. Would you please tick the box giving your agreement? By signing the form you will have been expected to have read this statement. In the case of emergency, parents/guardians will be expected to be available. The timings of session are strict children should be collected on time.</p>
